

Junction City Historical Society was founded in 1972, coinciding with the centennial of the City's founding in 1872. Your dues and donations help support the Dr. Norman L. Lee House Museum (Junction City's only building listed on the National Register of Historic Places), the Mary E. Pitney House Museum, Junction City's First Jail and the Milliorn Historical Cemetery. Our mission is to preserve and document the community's history and to communicate that history to new generations of citizens and newcomers to the area.
